

Pet lovers will appreciate one of these unique personalized gifts celebrating their special pet. There is a wide variety of pet merchandise on the market these days, but few products come close to the sophistication of these photo crystals. The laser etched glass can also be customized to contain names or famous quotes about pets to complete the unique piece. The details of the photo of your pet will be visually appealing on the 3D engraved picture. Give the animal lover in your life a personalized, innovative gift that commemorates their pet for years to come.
